REFERENCE: OVERHANGING SIGN – 7 HANOVER STREET

Dear Mr. Geary:

I am seeking City Council approval to install two overhanging signs for the Panela restaurant located at 7 Hanover Street. One sign will be installed on the Hanover Street elevation and one on the Market Street elevation. I understand that City Council approval is required as the signs overhang a public way and that insurance is also required. The attached sign design has been approved by the Historic Board and your assistance in placing this on the City Council's next agenda to start this process would be much appreciated.

Thank you for your assistance in this matter and if you have any questions, please do not hesitate to contact me at (978) 455-2868.

Sincerely,

Juan Acevedo
